16) Judge: Hon. Gregory G. Hollows**

17 Pursuant to Local Rule 6-142, Petitioner, ROBERT RAMESES, by and
18 through his counsel, Assistant Federal Defender David M. Porter,
19 hereby requests an extension of 30 days in which to file the memorandum
20 of points and authorities in support of the amended petition for writ
21 of habeas corpus, which is currently due on October 13, 2005.

22 This extension is the first extension requested and it is being
23 sought because of the undersigned's deadline for filing a Ninth Circuit
24 opening brief on October 12, 2005 and the mail delays in securing from
25 petitioner a declaration to be filed with the memorandum.

26 This extension is not interposed to unduly delay the proceedings,
27 to gain unfair advantage, or for any other improper purpose. The
28 undersigned has contacted respondent's counsel, Deputy Attorney General

1 Mathew K. Chan, who graciously indicated that he has no opposition to
2 the requested extension. Accordingly, petitioner requests this Court
3 enter the order being filed simultaneously with, but separately from,
4 this request.

14 **ORDER**

15 Petitioner incorrectly asserts that this is his first request for extension of time. In fact, an order
16 filed on September 14, 2005, granted petitioner's first request to extend the time for filing the
17 memorandum of points and authorities, which request was made on September 7, 2005.

18 Pursuant to the unopposed second request of petitioner, it is hereby ORDERED that the
19 memorandum of points and authorities in support of the amended petition for writ of habeas corpus shall
20 be filed within thirty days of the date of this order. No further extension of time shall be granted.

21 DATED: 10/20/05
